Mike Miller,
Director of Business Billing, AT&T

Tools for Talking WHEN STAKES ARE HIGH

Whenever you're not getting the results you're looking for, it's likely a crucial conversation is keeping you stuck. Whether it's a problem with poor quality, slow time-to-market, declining customer satisfaction, or a strained relationship—whatever the issue—if you can't talk honestly with nearly anybody about almost anything, you can expect poor results.

What is Crucial Conversations Training?

Crucial Conversations teaches skills for creating alignment and agreement by fostering open dialogue around high-stakes, emotional, or risky topics—at all levels of your organization. By learning how to speak and be heard (and encouraging others to do the same), you'll begin to surface the best ideas, make the highest-quality decisions, and then act on your decisions with unity and commitment.
